

Just Listen to What They're Saying!

To all the gang at Dave's Smokehouse Grill,

Just wanted to let you know you have another very satisfied customer here! Your ability to handle our group of up to 100 has been great! The food is always worth bragging on. It is rare these days to find a restaurant whose food exceeds your expectations but time and time again Dave's does....great food, plenty of it and all at a good price! And last but not least, the entire staff is top notch, always friendly, greet you with a smile and very accommodating.

If you're looking for a great dining experience, I highly recommend giving Dave's Smokehouse Grill a try. You'll be glad you did!

Dave's has catered several events for the American Legion and my business, Lexington Glass. They have a wide variety of menu items. They were always on time with fresh, hot food and generous portions. In the dozen or so times that I have used Dave's Smokehouse I have never been disappointed with anything. I can and do highly recommend using them for all your catering needs.
